CHAIR'S CORNER

Welcome to round 14 of the Men's Dettol Central League, where we host Miramar Rangers. A warm welcome to our opponents, their supporters, and our Petone FC supporters.

Welcome back to Jamie O'Connor and his Miramar team, who are flying high at the top of the league table after losing only one game so far this season. They will see themselves as favourites, but that gives our young, possession-driven team a great opportunity to step up and deliver a result. We dominated last week's game against Karori but could not convert the many chances we created, so today the boys will be ready to take those opportunities.

Our Powerex Petone Women's First Team will have played their top-of-the-table match on Friday night against Wellington United, a game that may help define the Women's Central League title. They battled to a 1-1 draw against third-placed Karori last week, so a strong result in this round 13 clash was important.

The Men's Reserve Team play Miramar Reserves in the early match. We sit 6th on the table with 13 points, only 1 point behind Miramar, although they have a game in hand. This should be a great match to whet our appetite for what comes next.

The Men's Development Team are having a great season, sitting 2nd on the table with 25 points and a game in hand. They still have a chance to win Capital 3, but they will need to win all their games in round 2, which they are very capable of doing.

The Women's Reserve Team are in 4th spot in the Women's Capital Premier League and are going well. They remain in touch with the teams further up the ladder.

Our Girls-Only Kahurangi Tournament was held for the second time last Sunday, with a perfect day for football over Matariki weekend and plenty of happy faces playing quality football. Thanks to Caelin Paterson and her team for organising a great event. The week before, we held our winter holiday programme. The weather was patchy, so a massive thanks also to Jack Morrissey and his team for the enjoyable programme they put together.

The World Cup has delivered another compelling football showcase, with Spain set to face defending champions Argentina in Monday morning's final after Argentina's dramatic semi-final win over England.

Today will be a great battle, and our home advantage and support need to play their part in spurring our lads on to be at their best. I hope everyone gets behind our team today and supports them loudly.

Good luck to all teams and players this weekend, and I hope our supporters enjoy the football – COYB.

POWEREX + PETONE FOOTBALL CLUB

POWERING THE CLUB, SUPPORTING THE COMMUNITY

At Powerex, we've always believed that strong communities are built on strong partnerships. That's why our support of Petone Football Club goes far beyond sponsorship signage — it's about actively contributing to the people and families who make the club what it is.

Football clubs are the heart of local communities. They bring people together, create opportunities for young players, and provide a place where lifelong connections are made. As a proud supporter of Petone Football Club, we wanted to find a way to give back that creates real, lasting value — not just for the club, but for its members too.

A WIN FOR MEMBERS

We know that many households are feeling the pressure of rising energy costs. Solar is one of the smartest long-term investments homeowners can make — reducing power bills, increasing energy independence, and adding value to your home.

Through this campaign, Powerex is making solar more accessible for Petone Football Club members by offering:

- A **\$250 discount** on any solar installation
- Assistance with helping members apply for a low (or zero) interest solar loan from their bank
- Expert design and installation from a trusted local team
- High-quality systems built for long-term performance

It's a practical way for members to invest in their homes while also supporting their club.

A WIN FOR THE CLUB

Every installation through this campaign doesn't just benefit the homeowner — it directly supports Petone Football Club.

For every solar system installed, Powerex will donate **two solar panels** to the club. These contributions will help offset the club's energy costs over time, allowing more resources to be directed where they matter most — players, facilities, and the club's future.

It's about creating sustainability both on and off the field.

WHY WE'RE DOING THIS

At Powerex, we work across electrical, solar, security, and energy solutions every day — but at the core of what we do is people.

This initiative is about:

- Supporting the club that supports its community
- Helping members take control of their energy future
- Creating a long-term, sustainable impact

We see this as more than just a promotion — it's a partnership that grows stronger with every installation.

GET INVOLVED

If you're a Petone Football Club supporter and have been thinking about solar, now is the perfect time to take the next step.

By choosing Powerex, you're not just improving your home — you're giving back to your club at the same time.

THE COMMENTATOR'S CALL

There is nothing like feeling supported when you are playing sport, performing in a band, taking part in a debating competition, displaying artwork or putting yourself out there in any way.

So what does that actually look like on match day?

New Zealanders, as a rule, are not as passionate about supporting their sporting teams as many overseas fans are.

The New Zealand Warriors are an exception to that rule because, no matter where they sit in the league, they sell out home games each week. The marketing of "Up the Wahs" has been absolutely fantastic, to the point where it has become a worldwide catchphrase. We now see people posting pictures of themselves with "Up the Wahs" banners in front of the pyramids, Stonehenge, the Eiffel Tower and more. And rugby union is meant to be our national sport!

Football clubs all over the world have staunch ultras or kops, where the masses chant, sing, clap and cheer their team on.

Locally, Wellington Olympic lead the way. Their fans on the bank at Wakefield Park turn up in all weathers, chanting, bantering and letting off flares and fireworks, creating a mini-European atmosphere.

Of course, supporting a winning side that scores plenty of goals is easy. It's an old cliché that winning puts bums on seats.

Upper Hutt City also get great home support. With their balcony full on match days, they hold special days like Orange Day, where everybody wears orange. That means not just clothing but wigs, face paint and jewellery, with the balcony decked out in orange and black balloons. And the supporters are vocal.

But that's not the only way to support a team. A message before a big game, a chat with players afterwards, or even chipping in financially can all make a real difference.

Personally, I think the fans should be closer to the pitch at Petone Memorial. A set of bleachers past the opposition subs' bench and a set on the grass by the players' entrance would help create an atmosphere — but only if people are prepared to be vocal.

Chanting the club song, banging a drum, making up player chants and blasting a ship's horn — an acknowledgement of Settlers — could be a starting point.

The College Sport Cup Final regularly features kids with bladeless chainsaws, drums, bagpipes, haka, sirens, and loud-hailers, all rallying for their college's victory.

Sam has a new team, and results haven't always gone their way, but any support is welcome and encouraged because every little bit helps when times are tough.

"HAIL HAIL, PETONE'S HERE!"

— Paul Ollie Olsthoorn, Petone FC Men's Commentator

FOOTBALL OVERSIGHT GROUP

You might not have heard of the Football Oversight Group, but it's a small team of people who play a very important role in our club's on-field success.

For many years from the mid-1990s, the Club had a Men's Football Committee and, in most years, also a Men's Football Manager and, in some years, a Women's Football Manager. Those groups and roles tended to have an operational focus — overseeing all of our senior teams and keeping things going.

It became obvious that a more holistic and strategic focus was needed, and in 2017, the Football Advisory Committee (FAC) was formed. That committee's purpose was to provide strategic football advice across all areas of Club football, although the group's make-up at the time reflected a focus on men's football.

In most years, there were six members, with Andy Badrick, Wayne Ebert (chair), Brendon May and Barry Pickering being on the committee for all seven years of its existence.

In 2024, the FAC was replaced by the Football Oversight Group (FOG), which had increased scope and responsibilities. It comprises at least one member each from the Men's, Women's and Juniors areas of the Club. Other people with particular roles in the Club may be invited to attend meetings.

The FOG provides advice to the Executive Committee and Junior Management Committee. Its purpose is to have oversight and support the smooth running of the playing side of the club, and its responsibilities include:

- Understanding the national and local football environments and ensuring the Club is well prepared for any changes
- Providing advice and recommendations on the Club's strategic direction
- Coaching structures and appointments
- Player and coach development and programmes.

The current members of the Football Oversight Group are:

Wayne Ebert, outgoing chair
Michael Pickering, incoming chair
Julia Harrison
Andrew McGoff
Jody Siegel
Karl Whalen
Sam Morrissey — invited guest.

Wayne Ebert will leave the group at the end of this season. He is now part of Capital Football's MAG (Men's Advisory Group), reporting back to the club and advocating for a few other local clubs.

HAIL! HAIL! PETONE'S HERE

*Hail! Hail! Petone's here,
What the hell do we care,
What the hell do we care,
Hail! Hail! Petone's here,
What the hell do we care now!*

*For it's a grand old team to play for,
And it's a grand old team to win,
And if, you know, the history,
It's enough to make your heart go oh, oh, oh, oh!*

*We don't care what the other side say,
What the hell do we care,
For we only know,
That there's going to be a show,
And Petone supporters will be there!*
