CHAIR'S CORNER

Welcome everyone, to this exciting 14th-round Women's Central League match between our Powerex Petone Women's first team and Waterside Karori, followed by the 14th-round Men's Central League game between Petone and the Wellington Phoenix Reserves.

Powerex Petone is coming off a strong home game last week against Wellington Phoenix Academy. Although we narrowly lost 1-2 in the 94th minute, we played well and challenged a resilient Phoenix team. We're confident that with continued effort, we'll be able to secure positive results in upcoming matches.

Today's game against Karori is a special highlight for both teams this season. It's a pivotal moment for us, and I know our Women's team is prepared for a competitive and engaging match. Looking forward to a great game – COYB.

Des Smith, Ray White Men's first team are set to face the Phoenix Reserves today, in a match that was postponed from last week. A win today could see us climb from eighth to sixth place, bringing us closer to our target, a position in the Central League. It's a great opportunity for our players to bounce back from some tough results in recent games. If they stay true to their systems and give their best, this could be our week to shine.

Last week, our U23 team had a fantastic 2-1 victory against Phoenix's third team, putting us in a strong position, second equal on the table. We're also proud to be one of just three teams in the Capital Premier League with a positive goal difference.

Our juniors are back from the school holidays and enjoying mid-winter football. I'm sure they and their parents are loving those chilly mornings and playing with their friends. A few weeks ago, we had an Under-13 team come up to watch the senior game from the balcony while waiting for pizza. They had a great time and created a fantastic atmosphere for the players on the field. It was a great experience for them to witness some senior football and get involved. I encourage other junior teams to organise a similar event for their players.

[PLEASE SUPPORT OUR SPONSORS](#)

A massive thank you to all our sponsors who have stood by us and supported us. It's now up to everyone else at the club to support them. Please be aware of our sponsors and consider patronising them whenever you can.

Best of luck to all teams and players this weekend. I hope our supporters enjoy the football – COYB!

OUR FIRST TEAM COMMENTATORS

If you watch any of our men's or women's first team games on streaming services, you might have wondered who is providing the commentary.

Paul 'Ollie' Olsthoorn is now in his second season behind the microphone for the men's Central League home games. Last year he was our co-commentator, but this year he's the main man. He also tries to get a guest each match for comments and co-commentating. Paul is a former first-team player, having played 114 league games from 1984 to 1995, scoring 34 goals, as well as 14 Chatham Cup games, scoring seven goals. He also played 22 games for Hutt Valley United from 1987 to 1988.

Paul almost began his commentating career in 1994 when Saturn TV was looking for sports commentators. He submitted a demo video and was offered a role commentating on First XV rugby. He declined because it clashed with his commitment to Petone in the Central League.

Steve Gibbs has been commentating on our women's Central League home games, and is also in his second season. Steve played in our Mighty Masters team for 14 seasons and is taking an injury-enforced break before hopefully re-joining the newly merged Mighty Dreamers. Having followed his daughter Olivia in club and rep teams for many years, Steve knows many of the Petone players, which helps him in his commentaries. Olivia is a regular starter in our first team, notching up her 100th game last year.

You can watch the men's Central League games on FIFA+.

All other streamed games can be viewed on YouTube and Petone FC TV. These include women's Central League games, men's and women's Capital Leagues and almost all other games played on the Memorial Park turf.

HAIL! HAIL! PETONE'S HERE

*Hail! Hail! Petone's here,
What the hell do we care,
What the hell do we care,
Hail! Hail! Petone's here,
What the hell do we care now!*

*For it's a grand old team to play for,
And it's a grand old team to win,
And if, you know, the history,
It's enough to make your heart go oh, oh, oh, oh!*

*We don't care what the other side say,
What the hell do we care,
For we only know,
That there's going to be a show,
And Petone supporters will be there!*
