CHAIR'S CORNER

Welcome to round five for our 'Des Smith Kemeys Brother Real Estate' Men's First team and Western Suburbs. We extend a warm welcome to the Western Suburbs team and supporters, as well as our loyal supporters, to what promises to be an exciting game of football.

In their last Central League home game against Island Bay, the men's first team were leading 2-0 in the 80th minute, but unfortunately conceded three late goals and ended up losing 2-3.

This is what Jamie O'Connor posted on X: "This is tough to take, but for the majority of the game, there were a lot of positives. Also reflecting on my coaching decisions. Congratulations to @IslandBayUnited for their first CL points in many years. We will respond."

The 'response' came last weekend with a good performance against a strong Miramar side that was unbeaten in its first three games. We managed to secure a solid 1-1 draw and prevented them from scoring any aerial goals. Today, we hope to continue our positive form as we face a tough test against Wests, who have had a solid start to the season.

The Petone Powerex Women's First Team has been crowned Kelly Cup Champions for 2024. This is a special moment for our team, as we last won this trophy in 1999. This is our fifth time winning it, and we are incredibly proud of our Women's performance this year. - *Kelly Cup article on page 15.*

Today marks the start of the Women's Central League, and we are excited to host the first game against Palmerston North Marist. We hope to go one step further than last year and qualify for the National League Championship phase. I am eagerly looking forward to seeing how our team performs!

We are delighted to introduce the team that will lead the Senior Women's space this year. Ryan McGlinchey will continue as head coach for the third year in a row, with Linda Roeters supporting him. Renata Sain will be the new Women's Reserve Team coach, assisted by Ryan Trenberth.

This year, we will have an U18 team that will provide a pathway for girls to enter senior football. Additionally, we have introduced new girls-only TDP teams in U14 and U16. Caelin Patterson, our Girls Development Officer, and Kate Marra, both members of our Women's First team, will coach our TDP teams and serve as excellent role models for our Petone FC girls.

We are also thrilled to have Maika Ruyter-Hooley as our Women's & Junior Girls Development Manager, who will oversee female development at Petone Football Club. The atmosphere in the Girls' and Women's spaces is incredibly positive, and we are enthusiastic about the upcoming Petone Women's and Girls' seasons this year.

We are thrilled to announce that Sam Morrissey is our new Director of Football. He takes over from Ryan Edwards, and we believe that Sam's vast experience makes him the perfect fit for the role at our club. Sam has returned to his old club, and you can find more details on our website.

Powerex has signed a new three-year contract to sponsor our women's teams and the Hilton Petone Tournament. This marks Powerex's tenth year of support and the seventh year sponsoring the Hilton Petone Tournament.

We're filling up the signboards around the ground and are always looking for more sponsors. If you can think of any local businesses that would benefit from a signboard around our pitch, please let us know, and we can talk to them about the excellent deals we have put together.

PLEASE SUPPORT OUR SPONSORS

Lastly, I can't finish without showing appreciation to our sponsors. Without them, we would not be in the fortunate position that we are as a community-based club. Please make yourself aware of our sponsors and send them your business whenever possible.

Good luck to all teams and players this weekend, and we hope our supporters enjoy the football. Come On You Blues!

MEXICANO CORN CHIPS

Mexicano corn chips are made from the best quality, non-GMO corn, and are grown specifically for us in the Hawke's Bay Region.

It is then steeped overnight to develop its flavour and stone ground between special Mexican volcanic rocks to produce masa.

This is carefully formed into chips that are oven-baked and lightly fried to produce our authentic tortilla-style corn chips.

We acknowledge that due to the brand's Mexican design cues and flavours, New Zealanders are often amazed to learn that Mexicano Corn Chips are "surprisingly" made in New Zealand.

We pride ourselves on being that go-to meal solution, ideal for keeping the family happy with a moorish plate of nachos or using that round chip as the perfect dipping spoon when sitting around and watching the game.

PETONE WINS THE KELLY CUP

Petone Football Club has won the Kelly Cup for the first time in 25 years. The Kelly Cup is a knockout competition that was introduced in 1973, coinciding with the first year of women's football in Wellington. Over its fifty-two years, the competition has undergone many changes in terms of its timing and entry criteria.

Petone FC first won the Kelly Cup in 1993 and then again in 1994. However, for the following four years, the club's first team was not eligible to enter the competition as it was participating in the National Knockout Cup (later renamed as the Kate Sheppard Cup). During those years, Petone FC's second team participated in the Kelly Cup on behalf of the club. The entry restriction was removed in 1999, and Petone FC won the Kelly Cup for the third time that year.

Petone FC was also the runner-up in 1984 and 2003. In some years, the competition was limited to clubs' first teams, and in other years, it was capped at a maximum number of teams based on their finishing position in the previous season. In 2019, the Kelly Cup was changed to a pre-season competition.

In 2024, sixteen teams participated in the Kelly Cup, including two teams from Petone FC.

Petone Powerex First Team:

7-0 vs Te Kotahitanga
2-1 vs Wellington United Diamonds
3-2 vs Waterside Karori
4-0 vs Victoria University (FINAL)

Petone Powerex Reserves:

2-4 vs Wellington United Diamonds
10-1 vs Miramar Rangers
0-1 vs Waterside Karori Reserves
1-2 vs Seatoun (BOWL 3rd/4th)

MEMORIAL PARK AND THE MEMORIAL

Memorial Park is located on Gear Island, a large area of land with Hutt River as its northern boundary. It had earlier been home to a piggery and offal pits, owned by Gear Meat Company, and was subsequently used for market gardens. Shandon Golf Club was established on Gear Island in 1927.

Memorial Park was opened for football at the end of 1960 when it was used for the then post-season Hilton-Petone Tournament. At the beginning of 1961, it became our home ground.

The Petone War Memorial was originally located at the Buick Street entrance to the Petone Recreation Ground. It was decided to locate it there because it was "...a prominent opening site, and one which, each Saturday afternoon, attracted a large gathering, but also was the local rugby ground" (The history of ANZAC Day in Petone, Gerald Davidson). It was also chosen because it meant that the soldier on top of the memorial was looking out towards the harbour where the soldiers had left from.

This memorial commemorates the places New Zealand fought during both World Wars, as well as local soldiers who died. Unlike many other New Zealand war memorials, the soldiers' ranks are also included. This was uncommon as it was believed that all sacrifice was equal, irrespective of rank.

The memorial, again unlike the majority, has a statue of a soldier on top. It was made from Coromandel granite, although the soldier itself was made in Italy. This was fairly common practice as it was thought that foreign artists would create more artistic memorials. In fact, the government issued a memorandum stating that memorials should be artistic, not utilitarian. This was in contrast to World War II memorials which were far more likely to be utilitarian.

The memorial was funded through public donations, a variety of public events such as performances and choirs, and (unsuccessful) attempts were also made to secure a subsidy from the government.

In 1966, the memorial was moved to its current location in the Garden of Remembrance, which was established in 1960 as a memorial to the soldiers who died during World War II.

In 1994, controversy arose when it was suggested that the memorial flagpole at the Petone Railway Station be moved to Memorial Park to sit alongside the cenotaph. This was hotly disputed by residents, and the plan was eventually "flagged".

Hail! Hail! Petone's here,
What the hell do we care now!*
